WBO Provides Russian Folk Entertainment

Spend a relaxing evening listening to the enchanting sounds of Russian folk instruments at Lake Accotink Park on Friday, June 29. The Washington Balalaika Orchestra (WBO) will perform a free concert at the park as part of the Braddock Nights performance series.

The Washington Balalaika Orchestra plays traditional Russian wind and percussion instruments regionally throughout the year. Modeling their sound after the great Russian orchestras, the WBO explores conventional ways to recreate the folk music of Eastern Europe's history. Performances offer listeners a lesson in cultural heritage.

The Braddock Nights concert series will continue every Friday evening at 7:30 p.m. throughout the summer. Summer performances range from Motown to classical music, providing the community with a diverse celebration of the arts.

Braddock Nights is made possible through the efforts of the Fairfax County Park Authority, the Braddock District Supervisor's office, Friends of Braddock Nights and the generous support of the local business community.

Lake Accotink Park is located at 7500 Accotink Park Road in Springfield. Concerts are canceled for inclement weather. Please call 703-324-SHOW for information including rain cancellations. For a complete schedule, visit us online at www.fairfaxcounty.gov/parks/performances.
